What is Little Mews Rescue?

Little Mews Rescue is a non-profit, volunteer organization.

If you’re looking for a cat or kitten for your family, we might have the special one just for you. If not, we’ll be able to help you find what you’re looking for. We have many beautiful cats and kittens to choose from.

We also need people to foster some cats and kittens. If you would like to foster a cat for us please contact us via our website: www.littlemews.org

Little Lives...
Lots of Love
More About Little Mews Rescue

Little Mews is located in Chenango County NY. We take in cats and kittens from a variety of situations, most are stray, unwanted, neglected or abused. We can also refer you to other organizations in the area that have dogs, cats and other animals for adoption, and have information about low cost spay and neuter options.

All our cats and kittens who are ready for adoption have been checked by a vet, vaccinated for FVRCCP, rabies (if over 4 months), tested for Feline Leukemia, FeLV, wormed, and spayed/neutered if old enough. Any health conditions are treated so that the cats can be adopted as healthy as possible.

Our cats don't live in shelter cages, they're cared for in family homes with lots of love and attention. They're socialized with other cats and large friendly dogs. We try to get them to adapt to normal family life so they'll be ready to settle in to their new homes quickly. We take the time to know each cat individually. We know which ones are shy, outgoing, playful, or quiet. Because we know the personality of each cat and kitten, we're able to match you with one that will fit your lifestyle the best.

Foster Homes Needed ASAP!!

If you have some extra room in your home to foster a cat or kittens PLEASE let us know. We're always getting calls to take in cats and kittens and just don't have enough space for all of them.

We've recently been asked to take in several large groups of cats, at least 20-30 cats at a time. Many of the cats are special needs cats, need some TLC until they're healthy enough to be adopted.

Even if you can take in one or two cats on a short term basis we'd greatly appreciate it. We'll provide veterinary care and whatever else you may need.

We also need volunteers to help serve as board members, write grants, help with accounting, transport to spay/neuter appts, do home visits, etc. If you'd like to help, please contact us today.

B.G. is a sweet friendly young adult cat. Very social, loves people of all ages, gets along with other cats and friendly dogs. She's quiet and gentle, loves attention. Great companion cat for anyone. An easygoing girl, she'll adapt well to any situation or lifestyle.

Healthy, spayed and up to date on all shots, she's all ready to move in and be a part of your family.

If interested in adopting B.G. please fill out an adoption application or contact us for more information.

Sami—One of the many cats who have found their forever home
